Release #5  
July 2019

Dear Worthy Regent, Officers and Members:

As many of us were spending time with our families over this Independence Day Holiday Weekend we were unexpectedly jolted by some major California Earthquakes. Some of us were just rattled by the shaking and some of us unfortunately may have experienced more extensive damage. The State Board would like to express to our California Courts that you are all in our prayers. If your court members are in any particular need due to the recent seismic activity, please let your State Board know so that we can get the word out to other Courts throughout the state that may be able to offer assistance.

As the shaking is most likely going to continue for some time, let us all take time to pray for all of our CDA Sisters and their families, that we may be kept safe during these episodes and when we can, be ready when in a position to offer assistance.

May God Bless and Keep All of Us,

Mary Bernard  
State Regent
