

CATHOLIC DAUGHTERS OF THE AMERICAS

California State Court

Unity and Charity

Release #48
May 31, 2020

Dear Worthy Regent, Officers and Members

I received this email from our National Regent Olga Samaniego. I knew it was a scam after reading it. I immediately sent it to her. The following email is her response to all State Regents in case they receive a similar one.

Be aware that everyone is at risk of getting one of these emails. Remember that I would never send out any email asking anyone to buy gift cards.

State Regent

Scam message below I received from someone impersonating Worthy National Regent Olga Samaniego:

Mrs. Mary

How are you today? I need your Assistance, are you available. Can you please handle this for me on behalf of the Association. The Catholic Daughters of the Americas needs some gift cards for donations to Veterans at Hospice and Palliative care units for preventive items from Corona Virus (COVID-19). I have decided to make it a personal duty and I'll be responsible for the reimbursement. Kindly confirm if you can help out.

Message from Worthy National Regent, Olga Samaniego in response to the above:

Dear State Regents,

I am so sorry that some of you received an email supposedly from me regarding donations. I did NOT send that out. Please delete! Please check email addresses whenever you get something like that. I will never email you to ask you for funds for me or for an organization that I am supporting. I am so sorry that there are those who would take advantage of the difficult times in which we are living. God's peace be with you.

Olga Samaniego

National Regent
