

CATHOLIC DAUGHTERS OF THE AMERICAS

California State Court

Unity and Charity

Release #51

May 2020

Dear Worthy Regents, Officers and Members:

All members are invited to our 2020 Officers Workshops. Included with this release you will find the dates and locations. These Workshops are MANDATORY for ALL officers. Members are encouraged to attend.

\$50 per court registration fee to be paid at the workshop. Make checks payable to California State Court. Court checks preferred.

RSVP as soon as possible to the appropriate person for your preferred workshop. You may attend any workshop you like. It does not have to be the workshop located in your Diocese. Please let the person know how many will be attending, officers and members and also how many will be having the lunch offered.

Please note that the Santa Barbara location is not ADA accessible, so if you are unable to go down approximately 8 steps, please register for a different location.

A continental breakfast will be served at no charge. You are welcome to bring your own lunch. Most locations will be offering lunch for \$6.00. The hostess court will accept cash or personal check.

The State Board is looking forward to seeing you at these Workshops and providing you with the necessary tools to be successful in your Court. If for some reason we cannot hold the workshop at a particular location, you will be notified. There is a Plan B and a Plan C.

In Unity and Charity

Mary Bernard
State Regent
