Worthy Local Regents,

I hope everyone is well and safe. The ballots for the national election were mailed from El Paso, Texas, last Thursday. You should receive them by Monday. Please note the following instructions:

- If you are not the current regent, please get the packet to the new regent asap.
- Regents must give ballots to elected delegates as soon as possible.
- Regents and financial secretaries must sign the credential sheets certifying the eligibility of the court's delegates.
- All ballots must be returned by the regent along with the credentials sheets. Delegates are not to mail back their own ballots.
- Ballots may not be duplicated.
- If you are missing a ballot or if a ballot is somehow damaged, email me, and I will email an approved duplicate.
- Delegates may caucus with members of their courts to discuss the merits of candidates, but, in the end, a delegate's ballot is secret.

I realize that this is a very quick turn-around time, so please do not hold on to your ballots. Meet with your delegates as soon as possible. Ballots along with credential sheets must be mailed back postmarked by July 10, 2020.

Thank you so much for your continued support and for your diligence in choosing the ladies who will lead our organization for the next two years. God's peace and joy be with you all.

Your sister in Christ,

Olga J. Samaniego
