

CATHOLIC DAUGHTERS OF THE AMERICAS

California State Court

Unity and Charity

Release #71
September 2020

Dear Worthy Regent, Officers and Members:

Received this update from Tess's husband George this morning.

I was able to do a video chat - although Tess could not speak she was able to gesture with her hand and I detected a hint of a smile on her face. I saw her sitting on a chair and she did not have the ventilator attached to her trachea tube. I was so happy to see my little girl awake and doing some movement.

The doctors are very excited to see her responding so well. I will keep you updated as we progress to the day she can walk out into the sunlight and come home.

*Thank you God
George*
