

CATHOLIC DAUGHTERS OF THE AMERICAS

California State Court

Unity and Charity

Release #74
September 2020

Dear Worthy Regent, Officers and Members:

Received this update from Tess's husband George.

In Unity and Charity

**Mary Bernard
State Regent**

A short update on the positive side for Tess

She is going to be taken out of ICU -after approx. two months - and into her own room.- I don't know if it's a private room or a shared room.

She is doing GREAT without the Ventilator - although its on standby

No Infections - No Antibiotics

She is eating well now

She is up a bit and does sit in chair

The concern now is her physical strength and her speech - she needs to work on it.

I would like to again let everyone know that She and myself are extremely Thankful for your support

May We Continually have the Blessings of Our Lord

George and Raymund
