# California State Court

Unity and Charity

Release #98  
November 2020

Dear Worthy Regent, Officers and Members:

Karen Bootz, our Immediate Past State Regent, is asking for prayers for her mother, who has been diagnosed with Covid. Her mother, Pauline Bootz, has been in the hospital and a rehab facility being treated for fluid retention and low sodium levels. She is suffering with chest congestion and was diagnosed last night as having Covid as well. Please pray for her and her family as she fights this disease.

*O God, You care for us and provide everything that we need, send Your comfort to Karen and her mother, Pauline; help them to experience Your presence in the midst of the uncertainties of the coming days and weeks. Help them to know that they do not walk alone - You walk with them on this journey. Give strength and wisdom to the healthcare staff that will be caring for Pauline, let them find the proper treatment for her to return her to health so she can continue to serve You. We ask this in the name of Your Son, Jesus Christ. Amen*

I also ask that you, my sisters in Christ, join with other Catholic Daughters to say three Hail Marys each evening at 9:00 PM for persons suffering from Covid and their families.

In Unity and Charity,

*Mary Bernard*  
CA CDA State Regent
