CA State CDA Release #99  
November 2020

Dear Worthy Regent, Officers and Members:

Update from George - Tess is getting better but slowly. She still needs to use a machine to breath well but they are slowly getting her off of it. It comes off but after a bit of time, 3 hours, she needs it back on again. She is able to speak a bit but only when machine is off and I must say it's great to hear her talk. She has lost weight, not sure how much but enough to make her look a bit skinny. That's it for now -

Please thank everyone for the prayers and God Bless us All  
George

In Unity and Charity,

*Mary Bernard*  
CA CDA State Regent
