

RELEASE #15

Dear District Deputies:

Thank you for accepting the position of District Deputy of a local Catholic Daughters of the Americas court (s). It is a very important position as you are a direct extension of the State Board. It is through the District Deputy that the State Board is informed of any issues the local CDA Courts. It is also the District Deputy that ensures the local courts are completing the financial reviews on time and pays the State and National dues in a timely manner.

Attached you will find the information about the DD Workshops in your area. It is important that you come and join us at one of the Workshops. There will be one workshop in Northern, Central, and Southern California. We are having the workshops on different days so that if the workshop in your area falls on a date that you will not be able to attend, you may attend one of the other workshops. Please RSVP accordingly.

Thank You.

Mary Beasley
California State Regent
