

**Release #19
November, 2021**

Dear Worthy Regent, Officers and Members:

Here is a news release from our National Regent, Sherry Nilles. Our system of communications, Constant Contact was unable to share the Action Alert. Please feel free to go to the website for: NCOSE (National Center of Sexual Exploitation) regarding more information.

Good Monday morning, Saints!

That is what you are, my dear Sisters in Christ.
Loving, wonderful Catholic Daughter Saints!

Action Alert from NCOSE.

At my home parish, white ribbons will be pinned on each parishioner by a Catholic Daughter to remind them to continue their support with the WRAP (White Ribbon Against Pornography) campaign.

It is a great visual tool for getting the message out to fight pornography which leads to so many other problems in our society. Morality in Media was stated in New York in 1962. The name was changed in 2015 to NCOSE (National Center of Sexual Exploitation) to better explain what this organization does to fight for morality in all aspects of life.

NCOSE, a National Project for Catholic Daughters, has been supported by Catholic Daughters for many, many years.

Thank you for your continued support of the Projects and Charities of Catholic Daughters.

God bless you,

Sherry Nilles
National Regent
Catholic Daughters of the Americas

**Take care. God bless.
In Unity and Charity**
