

**Release #30 January, 2022**

Dear Worthy Regent, Officers and Members:

Please be aware we have listed the State Chairman addresses below.

Just a friendly reminder to start filling out those Circle of Love forms, we want to hear all about the wonderful things each CDA Court is doing. The Circle of Love rules have changed especially the spoke of Education, please read them carefully. There is also a change in regard to how to enter. You can only enter one event for each spoke, and you can only enter each event one time. You can no longer enter the same event in more than one spoke, so you need to decide which spoke to enter your event.

Circle of Love entries need to be mailed or emailed to the state chairman (addresses and emails below) and postmarked no later than March 1, 2022. The deadline is important and any entry that is dated after March 1, 2022 will not be considered in the Circle of Love contest. The deadline is important as we want to make sure you do not get disqualified. We would love your Circle of Love report to be the one we send on to the National level. Our chairmen want to select the outstanding winners and mail them on to the National before their deadline.
