

**Release #37
March, 2022**

Dear Worthy Regent, Officers and Members:

As the weather begins to warm up our California Courts will start to hold many different fundraisers. It has come to our attention that in California it is unlawful to hold 50/50 raffles as 75 % of the money received needs to go to charity. If you have any questions please contact one of the state officers.

Thank you so much for everything you do for Catholic Daughters.

**Take care. God bless.
In Unity and Charity**
