**Dear Worthy Regent, Officers and Members:**

**Our National CDA Regent, Sherry Nilles, has sent the following message:**

Good Friday afternoon,

Attached is information from one of our national projects, National Center on Sexual Exploitation (NCOSE).

Dawn Hawkins, the CEO of NCOSE, is a vibrant young woman who is very knowledgeable about the crimes related to sexual exploitation.

A representative from NCOSE will be presenting information about the work the organization does to stop this awful crime at the 59<sup>th</sup> Biennial National Convention of Catholic Daughters.

God bless you,

Sherry Nilles  
National Regent  
Catholic Daughters of the Americas

**Take care. God bless.
