**Dear Worthy Regent, Officers and Members:**

**Our National CDA Regent, Sherry Nilles, has sent the following letter to us.**

Good Tuesday Morning, May 10, 2022

Attached is another plea from our National Legislative Chairman Eileen Peterson to defeat S4132, the extreme abortion bill.

She asks that each of us contact our Congressional Representatives today and ask them to defeat this bill.

Please identify yourself as one of their constituents -NOT as a Catholic Daughter. Eileen is very knowledgeable on this. Please contact her with questions. Her email is [rachelminister1@icloud.com](mailto:rachelminister1@icloud.com)

Worthy State Regents, please send this information to your local courts. Worthy National Board Members, please send this information to your territorial courts.

Thank you for your help in defeating this bill.

May God continue to bless you.

Sherry

**Take care. God bless.
