Dear Worthy Regent, Officers and Members:

We are excited to be back from the National CDA Convention and hope everyone had a wonderful time but more important everyone brought back valuable information for their CDA courts and members. I know my officers and I have learned so much from the workshops and CDA National Convention and look forward to sharing the information with you.

On another note, there will be several workshops, "ALIVE IN THE HIVE" in August, September and October. These workshops are mandatory for ALL CDA officers, but anyone can attend. Cost will be \$100.00 per court.

August 21, 2022- Northern California in Pittsburg, California

August 27, 2022- Fresno Diocese, in Hanford, California

September 10, 2022- Southern California, please note this is the day after the mass and reception for our National Regent, Emily Guilherme.

October 2022- Central Coast, Information to follow at a later date.

Past Court Regents and District Deputies please make sure your new officers get this information as we do not have all the officer's information as of yet.

Attached you will find the fliers and registration forms for all workshops except the Central Coast. If you cannot make it to the training in your area, you can always go to a different one. **The SEPTEMBER 10 training is after Emily's reception and a few miles from the hotel where the reception is. Hope to see everyone soon.**

Take care. God bless.
