UPDATE REQUEST
September, 2022**

Dear Worthy Regent, Officers and Members:

Our State Secretary has received some correction requests to the Regents Roster that was recently sent out. She has asked that all Courts please carefully look over the attached document to make sure your Court is listed and the information listed is correct.

If you have any corrections please send them to:
MSantosSilvaCACDA@gmail.com

Maria will be updating the information and helping the State Secretary on this project. A corrected copy will be sent out when all the corrections are made.

Thank you

**Take care. God bless.
In Unity and Charity**

Mary Beasley
