These workshops are mandatory for ALL CDA officers, but anyone can attend. Cost will be \$100.00 per court.

Once your court has paid the \$100 Fee, your court members can attend any one of the State Workshops that works for them. You can also attend more than one workshop.

If you are planning on attending, and your court fee has already been paid, please send Maria an email so she can have a count on overall attendance.

Since this Workshop is a So Cal, location please consider attending if you need to "Make-UP" a Missed Workshop in your area.

If you have attended a previous workshop and would like to help as a presenter or help with the state store please contact Maria. She will help you successfully attempt something new.

Past Court Regents and District Deputies please make sure your new officers get this information as we do not have all the officer's information as of yet. Attached you will find the flyers and registration forms If you cannot make it to the training in your area, you can always go to a different one.

Take care. God bless.
