

Release 82  
October, 2022

**Dear Worthy Regent, Officers and Members:**

It is time to...

# "SAVE THE DATE"

Mark your calendar for these two special events:

**100 Year Celebration**

**2023 Biennial State Convention**

**Yes, it is true. The California State Court is turning 100. I know, we look fabulous for our age. We will be celebrating our 100 years with a "Roaring Twenties" theme to kick off our State Convention on April 26, 2023. So many of you have contributed hard work to keep the Catholic Daughters alive in your court and we couldn't have achieved this milestone without you. Please join us as we celebrate our 100th year Anniversary, which will be the Wednesday before the State Convention, which will be April 27-30, 2023.**

**You may attend one event without the other, but why? So, dust off those hats and dresses from the twenties, and get ready to put them on. Details to be provided at a later date but mark those calendars now!**

**Take care. God bless.  
In Unity and Charity**

Mary Beasley  
California State Regent
