September, 2022**

Dear Worthy Regent, Officers and Members:

I hope this email finds you blessed with God's love.

At this time the CA CDA State Court is asking that you please keep our CDA Sisters in Puerto Rico and the Virgin Islands in your prayers as they recover from the effects of Hurricane Fiona. As we receive more information, we will make sure to pass that onto our California Courts.

Thank You and God Bless

Maria Santos-Silva
CA State First Vice Regent.
