

Release #91
October 2022

Dear Worthy Regent, Officers and Members:

Our Worthy National Regent has sent us news updates about our Contests and a few other topics. Please read below.

Good afternoon, State Regents,

Here are some updates

1. The Quarterly and Contests are on the website in Spanish.
2. There has been much confusion on when the dues would take effect. The motion at convention that was voted on was that it would take effect Fall of 2022. I know that the convention minutes do not reflect that date. I have conferred with others on this situation, and it stands that what was voted on at the Convention in Puerto Rico is which stands, so courts will receive two bills. I'm truly sorry for this but it is out of my hands and I'm trying to fix the problem, and this is the only way it can be done by the office.
3. I know some have commented that the Quarterly was a little late, it was sent to the printer on time and again I have no control, if something happens at the printers or the mailing.

Thank you for your patience and understanding.

Please forward to your local courts.
National Supervisors please forward to your Territorial Courts

Blessings,
Emily
