Dear Worthy Regents, Officers and CDA Members,

Time is running out, here is a quick reminder:

At our State Convention 2023, we will be having elections for State Officers and a Nominating Committee. Examine the gifts and talents you have been given; are you being called to run for a State Office? If you are I encourage you to pray for guidance and courage to accept the call and run for a State Officer. I also encourage you to review the Duties of State Officers as in the National Bylaws Article IX, Section 7, so you can be aware of what each position entails.

Please send 5 copies of each (with wet signatures) to the Nominating Chairman

1. Statement of Intent to run for office (Can be included in resume)
2. Resume outlining your Professions and Volunteer Experience
3. A letter of support from your court's board, signed by majority of court officers
4. A head shot photo of yourself

Your package must be sent to the Nominating Committee Chairman and postmarked by February 1st.
