Dear Worthy Regent, Officers and Members,

The California State CDA Convention is only a couple of weeks away and we know everyone is so excited to get together in prayer and fellowship in the beautiful town of Pasadena. Your State Officers and Chairman are working very hard to put the final touches on this convention. Please send out the following letter from Emily our National Worthy Regent and the attachments to your court.

Good Evening,

Attached you will find the updated letters from our National Chaplain welcoming new members in English and Spanish.

State Regents please forward to your courts and National Supervisors please forward to your Territorial Courts.

Thank You,
Blessings,
Emily
National Regent

move Mountains" Matthew 17:20

Hope to see you all in a couple of weeks.

In Unity and Charity

Mary Beasley
California State Regent
