Dear Worthy Regents, Officers and Members,
I am forwarding a message from Emily our National CDA Regent about one of our Past National Regents.

Dear CDA Sisters,

I'm writing this email to ask for prayer for our Past National Regent Joanne Tomassi, Joanne is facing some major health issues and needs our prayers. Please pray that God heals Joanne and that her faith sustains her at this time and that she feels God's love and presence in her life. State Regents please forward to your Local Courts and National Supervisors forward to your Territorial Courts.

Thank you to Sharon Winzler, Past State Regent of Vermont for sharing this prayer below, for the intentions of Joanne.
