

RELEASE #11

Please Note that each Workshop will be having a ***Special Circle of Love Project*** as part of the workshop. Please check and see what project is associated with the workshop you are attending. We ask that you please participate in the project as we work to let our CDA Lights Shine through these projects.

Please ***Promote*** and ***Encourage*** your CDA Court members to attend one of the workshops. The State Board has been working hard to present a very informative workshop for our CA CDA members this term. These are ***CDA Leadership*** Workshops we have incorporated DD Training and Court Leadership information. The members who attend will not only recognize what it takes to be a DD and what your DDs will be looking for to better serve our Courts. CDA members who attend will receive valuable leadership training to help run and serve our CA CDA Courts, helping them to thrive, grow and develop into powerful groups of support and good works in our parish communities.

Please reach out to your State Board members if you need any further information.

"In the same way, your light must shine so that it can be seen by others; this will enable them to observe your good works and give praise to your Father in heaven."
