

Good Afternoon State Regents,

Just a few updates. Attached you will find two new resolutions that were voted and accepted at the State Officer's Conference. The board has voted to replace Covenant House as of August 30. Please share this information with your Local and Territorial Courts. At this time, we are still looking for a replacement for Covenant House. All checks sent to the National Office after August 30, will be returned,

Thank you.

Blessings,

Emily
