

## Release #14

The PDF for the 2023-2025 CA CDA District Deputy / 2022-2024 Regents, combined roster. Thank you all so very much for your patience regarding this document. Thank You also to all of those who contributed to working on this project. It was a combined group effort.

One thing NEW is that this is a single document of DDs and Regents. An update to the regents list will be sent out after the 2024 court elections next spring. Any corrections or updates will be sent via flocknotes

Due to the high cost of printing, this electronic copy is the only copy you will be receiving. Please share this information with your Court Officers and Court Members.

One unique feature of this electronic document is that if you download it, you can easily send emails to any of the emails listed. Just click on the link under the contact, listed in blue, and your email will automatically be addressed and ready to send. You can also print the document for your use as well.

The State Board members are looking forward to the upcoming DD and Leadership Workshops. We hope to see many of you then.

If you have any questions regarding this document please contact our State Regent, Maria Santos-Silva, [MSantosSilvaCACDA@gmail.com](mailto:MSantosSilvaCACDA@gmail.com).

Thank you and God Bless
