

Release #15

Good Afternoon State Regents,

Many of you that attended the State Officers Conference in Arizona were able to hear the presentation on the Chaplain's role. Our National Chaplain Fr. Boquet and the board shared some of our thoughts and then asked for input from those in attendance. I now would like to ask that you send to your state officers and Local court regents for their input. Please be sure to check frame #6 for deadlines. Please send to all local courts by September 30 and return to me with suggestions/concerns by October 6. We would like to update our brochure, Tool of the Trade and maybe even make additions/changes to the Bylaws. Thank you in advance for your input.

Blessings,

Emily
