

Release #18

The CA State Board is Happy to Announce the Installation of a New CA CDA Court in Pasadena CA. Thank you to our Southern CA Membership Chairman Karen Aguirre for all her devoted work on this project. Following is the formal invitation to the Installation Mass and Reception for all CA CDA members.

It is the tradition that CA CDA Courts send "seed" funds to a new court when it is installed. A traditional donation would be \$10 or whatever your Courts Standing Rules allow for.

Your Court can send your donation made out to:
