

Message from National Regent Regarding Attack on Israel

Dear Catholic Daughters,

Please pray for peace in Israel and for all our brothers in sisters and also those on pilgrimages in Jerusalem. Rosie Duran the State Regent of New Mexico is also asking for prayers for our CDA sister Virginia Pino and Lisa Archuleta and her husband for their protection and safe journey home: The latest information is that they are sheltering in place in their hotel. State Regents, please forward this to your local and territorial courts.

Take time today to pray for this horrifying attack on Israel.

Blessings,
Emily
National Regent
