

## **Release #33 - Update from National Re: National Webpage**

Hello everyone,

We want to bring to your attention a few updates on the CDA Website:

On Monday a group of your CDA sisters will depart on their **Pilgrimage to Portugal and Spain**. We are making a Prayer Request for safe travel, and the Pilgrims will in turn be praying for all their CDA Sisters.

·Cross Catholic Outreach's popular **Box of Joy** is looking for signups for bringing gifts to children in need in many countries. It's a wonderful program, as many Catholic Daughters can attest. There is only about a week left. You can register on the CDA website.

**Apostleship of the Sea**, a National Charity, is seeking priests to join their **Cruise Ship Priest Program**. Priests are invited to join a Catholic Friendly cruise where they are given food and their own private berth. In return, they are asked to celebrate daily Mass for passengers and weekly Mass for the crew, and other spiritual tasks as required. Perhaps your court chaplain or parish priest might be interested?

Most recent "Fun D" Winners are announced.

As always, please don't hesitate with questions!  
God Bless,
